ACHIEVEMENTS & EVENTS

A summary of our Q1 highlights across research, conservation, education and community engagement.

PROJECT SPOTLIGHT

Oman Environment Day Beach Cleanup

MEMBERSHIP ACTIVITIES

Highlights from our membership programme and details of how to get involved!

ACHIEVEMENTS & EVENTS

ESO Sustainability Fair

ESO hosted the 2026 Sustainability Fair on February 10 at JW Marriott Hotel, taking over from the Oman American Business Council (OABC) as lead organizer. The event featured student-led projects from 10 private schools, with awards presented for Best Presentation, Most Innovative Idea, Most Practical Implementation, Overall Winner and a Special Award Winner. Special thanks to founder Maria Valdez for her continued support. We also thank Marriott Business Group, Bouw Nimir, Siemens Energy, Voltamp, Apex Publishing and Makeen Design Studio for their valuable sponsorship and partnership.

Turtle Mandoos

In partnership with TSO, ESO is proud to launch Turtle Mandoos, a new traveling educational initiative that brings hands-on, science-based sea turtle conservation workshops directly to schools. Through interactive activities and realistic sea turtle models, students step into the role of marine biologists by identifying turtle species, investigating threats, and exploring real-world conservation solutions. Turtle Mandoos empowers students to learn, question, and act, inspiring the next generation of conservationists. We are excited to have secured sponsorships from OQ and OQGN and look forward to expanding the program in 2026.

Masirah Island Beach Cleanup

The annual dedicated net clean-up on Masirah took place from the 17th to 25th January 2026, collecting around 40 tons of abandoned, lost and discarded fishing gear from 39 km of sensitive turtle nesting beaches on the island. Since 2017, ESO has removed 915 tons of fishing nets and other waste from beaches, protecting critical habitats. This achievement was made possible through the dedicated support of the Municipality, Oman Environmental Services Holding Co. SAOC - be'ah, Ministry of Agriculture, Fisheries and Water Resources and Environment Authority. With generous sponsorship from Esraqa Foundation, this collective effort shows how partnerships can create real impact for Oman's wildlife and coastal ecosystems.

Celebrating our Women in Science

ESO is proud to see Maia Sarrouf Wilson featured in BirdLife International's "Celebrating our Women in Science" (Part II), a true reflection of her dedication to conservation. The International Day of Women and Girls in Science celebrates the invaluable contributions of women and girls to scientific discovery, innovation, and environmental stewardship. In collaboration with BirdLife International, this day highlights the vital role that women play in advancing biodiversity conservation, ecological research, and sustainable solutions.

Annual General Meeting (AGM)

ESO's Annual General Meeting (AGM) convened on March 30th at the Cultural Club, uniting representatives from the ESO board, staff, and members to reflect on the organization's accomplishments in 2025 and outline plans for 2026. This AGM marked a significant occasion as it entailed the election of new board members, with ESO receiving 12 nominations. The conclusion of the AGM was marked by extending a warm welcome to the incoming board members. We extend our gratitude to the previous board members for their invaluable support and eagerly anticipate a fruitful term ahead with the new members.

In celebration of Oman Environment Day, the Biodiversity and Climate Neutrality session of Oman Climate Dialogues took place at Ansab Wetland. Hosted by NWS-Nama Water Services, the event included a wetland tour and an engaging panel on biodiversity and climate action in Oman. The panel discussion was moderated by ESO Vice President Rumaitha Al Busaidi and included panelists: Maia Sarrouf Wilson, Aziza Al Athoobi, Dr. Laila Al Harthi and Manal Al Kindi. A Special thanks to ASYAD Group, Nama Water Services, and our expert panelists for their valuable contributions.

Collaboration with Abraj Energy

ESO and Abraj Energy signed an MOU which aimed to support community programmes that promote environmental awareness and empower future generations to adopt sustainable and responsible practices. This partnership reflects Abraj Energy's continued commitment to advancing initiatives that create lasting impact.

Collaboration with Mint & Cocoa

We are delighted to highlight a wonderful new initiative from one of our dedicated donation partners, Mint & Cocoa Restaurant. The restaurant has created a special menu item, the 'Roar for a Cause' salad, from which a portion of the proceeds is donated directly to the Environment Society of Oman (ESO). This generous collaboration allows customers to support ESO's conservation efforts simply by enjoying a delicious meal.

Oman Human Rights Commission

In celebration of Oman Environment Day, the Oman Human Rights Commission organized a public talk covering ESO's projects and awareness campaigns. The session was presented by Hanan Al Muscati, Partnership Manager at the ESO, who previewed ESO's efforts in education, awareness, and the conservation of biodiversity and protection of endangered species in the Sultanate of Oman.

PROJECT SPOTLIGHT

Oman Environment Day Beach Cleanup

In celebration of Oman Environment Day, the Environment Society of Oman (ESO) organized a community-driven Beach Cleanup at Al Hai Beach with more than 300 participants and collected more than 450 kg of beach waste. This initiative aimed to raise environmental awareness, protect Oman's coastal ecosystems, and encourage citizens, residents, and businesses to take part in preserving our natural heritage. The event was a unique opportunity for companies to demonstrate their commitment to corporate social responsibility and environmental stewardship through direct engagement with the community.

The successful delivery of this event was made possible through the generous financial and in-kind contributions of our esteemed partners. Abraj Energy served as the Gold Sponsor, while Voltamp supported the event as Bronze Sponsors. We also gratefully acknowledge the valuable in-kind support provided by Al Bustan Palace, JW Marriott, W Hotel, Kempinski and Punjith. In particular, we offer special recognition to the dedicated student volunteers from the Sultan's School for their enthusiasm, commitment, and invaluable hands-on support throughout the event. We extend our sincere appreciation to all sponsors, supporters, volunteers, and participants whose contributions were instrumental in the event's success.

ESO MEMBERSHIP UPDATE

We are proud to offer corporate and individual membership programs, providing the community in Oman with opportunities to engage with environmental initiatives and gain deeper exposure to sustainability topics. Through regular public talks and activities, we bring our members together to support environmental efforts and drive meaningful change. Stay updated on upcoming events by visiting our [website](http://www.eso.org.om) or following us on [social media](#).

February Activity

On 17th February, ESO members visited Oman's most remarkable Ras Al Shajar Nature Reserve. Ras Al Shajar is a protected nature reserve in the Wilayat of Qurayt, Muscat Governorate, Oman, covering roughly 94 km². The reserve is known for its rich biodiversity, with dense vegetation, especially Acacia (Ghal) and other native species that thrive in the area. It provides habitat to native wildlife, including Arabian gazelles, Arabian tahr, red foxes, and lynx.

ESO extends its appreciation to the Environment Authority and Ras Al Shajar Nature Reserve for their warm welcome and for offering our members such a memorable and informative experience.

March - Annual General Meeting

ESO held its Annual General Meeting on March 30, 2026, bringing together members, corporate partners, and the Board to review 2025 achievements and outline 2026 priorities. Highlights included the launch of ESO's 2025 Annual Report and screening of the ESO Awareness Video. An Extraordinary General Meeting was also held, where members approved a revision to individuals and corporate membership fees. ESO extends its thanks to the Cultural Club for their continued support in hosting the AGM.

Become a Member Today!

If you would like to become an ESO member or renew your membership click on:

*STUDENT MEMBERSHIP **5^{RO}**

Your support matters.

Thank you for your commitment to conserve and protect the incredible biodiversity of Oman.

FOR ENQUIRIES:

Individual Membership: membership@eso.org.om

Corporate Sponsorship / Membership: hannan.almuscati@eso.org.om

*CORPORATE MEMBERSHIP **2K^{RO}**

*Memberships are per year.

Why support ESO!

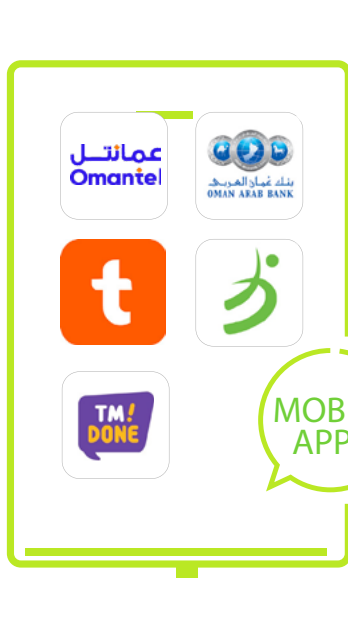

Your support enables us to...

- Conduct **RESEARCH** on threatened and endangered species in Oman
- EDUCATE** communities on the importance of adopting more sustainable lifestyles
- ADVOCATE** for environmental sustainability
- BUILD CAPACITY** within the environmental sector in Oman
- CONSERVE** Oman's natural heritage for future generations.

How to support ESO in 2026

1. MAKE A DONATION VIA BANK TRANSFER

Bank Muscat
#0315-0039-6351-0017
Oman Arab Bank
#3160651103500
Sohar International Bank

DONATION PROGRAMMES

We are very grateful to all our donation partners, who kindly add an optional donation to guests bills. We are actively working to encourage more hotels and tour operators to join the programme.

Corporate Members

THANK YOU!

- Maria Valdez** for her volunteer work in driving the success of ESO Sustainability Fair
- EA** and **Ras Al Shajar Nature Reserve** for hosting the ESO Members
- Cultural Club** for providing the space to host the AGM
- Thank you to **Dr. Mohammed Al-Kalbi** and **Dr. Nasser Al Maskari** for the years you have served on ESO Board up to March 2026 and we wish them all the success.
