ESO Corporate Membership

ESO's Corporate Membership provides organizations with a unique opportunity to support environmental conservation in Oman while enhancing their sustainability efforts, staff engagement, and brand reputation. As an environmental arm for our members, ESO offers tailored initiatives to integrate sustainability into corporate strategies and foster meaningful environmental action.

**Membership
Fee
OMR 2,000
Annually**

Membership Benefits

Recognition & Acknowledgement

- Featured on ESO's website, annual report, and quarterly newsletters.

Social Media Visibility

- Announcement of onboarding or renewal.
- Collaborations on request or as part of planned initiatives.

Event Invitations

- Access to ESO membership activities and regular updates on conservation efforts.

ESO Awareness Session

- Tailored environmental awareness session for staff and stakeholders on an agreed topic.

Sustainability Activation Support

- Recommendations and support in environmental activations (e.g., social media campaigns, PR collaborations).

Annual Beach Cleanup for Staff Engagement:

Organized based on the corporate member's request, internal planning timelines, and ESO's capacity and availability. ESO will support by providing:

- Location selection.
- Cleaning equipment.
- Engaging activities during the cleanup.

Membership Benefits (*Newly Added*)

Individual Membership Slots

5 allocated slots for corporate employees to participate as official individual members which enables them to participate more directly with ESO's AGM activities.

Green Skills Level 1 – Awareness Programme

- Complimentary access to a 90-minute sustainability awareness course, delivered in partnership with our international partner *Fifty Shades Greener*.

Discounted Conservation Experience for Corporates

- A 3-day immersive experience on Masirah Island for up to 10 nominated staff members.
- Participants engage in turtle conservation activities, including nest monitoring, identifying tracks, and observing nesting/hatching (if conditions allow).
- Provides hands-on experience in conservation challenges and solutions.
- Seasonal availability (June – September); requires a 3-month confirmation.
- Logistics covered by the corporate.
